**NOTICE OF 2024 ANNUAL MEETING OF STOCKHOLDERS  
 TO BE HELD ON JUNE 13, 2024**

Notice is hereby given that the 2024 Annual Meeting of Stockholders (the “Annual Meeting”) of Entrada Therapeutics, Inc. will be held virtually on June 13, 2024, at 9:30 a.m. Eastern Time. You may attend the meeting virtually via live webcast at [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024), where you will be able to vote electronically and submit questions. We are utilizing a virtual-only meeting format in order to leverage technology to enhance stockholder access to the Annual Meeting by enabling stockholder attendance and participation from any location around the world. You will need the 16-digit control number included with the Notice of Internet Availability of Proxy Materials being mailed to you separately in order to attend the Annual Meeting.

Stockholders of record at the close of business on April 16, 2024, the record date for the Annual Meeting, are entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement of the Annual Meeting. The purpose of the Annual Meeting is the following:

1. To elect one Class III director to our board of directors, to serve until the Company’s 2027 Annual Meeting of Stockholders and until her successor has been duly elected and qualified, or until her earlier death, resignation or removal;
2. To ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024;
3. To approve an amendment to the Company’s Fourth Amended and Restated Certificate of Incorporation to limit the liability of certain officers of the Company as permitted by Delaware law; and
4. To transact any other business properly brought before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

You can find more information on each of the matters to be voted on at the Annual Meeting, including information regarding the nominee for election to our board of directors, in the accompanying proxy statement. The board of directors recommends a vote “FOR” the election of the nominee for Class III director, “FOR” the ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2024, and “FOR” the approval of the amendment to our Fourth Amended and Restated Certificate of Incorporation to limit the liability of certain of our officers as permitted by Delaware law, as disclosed in more detail in the accompanying proxy statement.

This year, the Company is following the Securities and Exchange Commission’s “Notice and Access” rule that allows companies to furnish their Proxy Materials (as defined below) by posting them on the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) instead of a paper copy of the accompanying proxy statement and our Annual Report for the fiscal year ended December 31, 2023 (the “2023 Annual Report”). We will mail the Notice on or about April 19, 2024, and it will contain instructions on how to access both the 2023 Annual Report and accompanying proxy statement (together with the Notice, the “Proxy Materials”) over the Internet. This method provides our stockholders with expedited access to the Proxy Materials and not only lowers the cost

of printing and distribution but also reduces the environmental impact of the Annual Meeting. If you would like to receive a print version of the Proxy Materials, free of charge, please follow the instructions on the Notice.

To attend the Annual Meeting virtually via the Internet, please visit [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024), which will allow you access to the Annual Meeting and will permit you to submit questions. Please see the “General Information” section of the proxy statement that accompanies this notice for more details regarding the logistics of the Annual Meeting, including the ability of stockholders to submit questions during the Annual Meeting, and technical details and support related to accessing the virtual platform. You will not be able to attend the Annual Meeting in person.

Whether or not you expect to attend the Annual Meeting online, we encourage you to read the accompanying proxy statement and vote your shares as promptly as possible to ensure your representation and the presence of a quorum at the Annual Meeting on the Internet as described in the instructions included in the Notice, by telephone by calling 1-800-690-6903 and following the recorded instructions or, if you requested and received a paper copy of the Proxy Materials, by completing, signing, dating and returning the enclosed proxy card. You may request a paper proxy card at any time before May 30, 2024, to submit your vote by mail. If you vote your shares on the Internet or by telephone, you will need to enter the 16-digit control number provided in the Notice.

Your vote is important regardless of the number of shares you own. If you attend the Annual Meeting online, you may vote your shares during the Annual Meeting virtually via the Internet even if you previously voted your proxy. Your proxy is revocable in accordance with the procedures set forth in the accompanying proxy statement.

If your shares are held in “street name,” that is, held for your account by a broker, bank or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted.

By order of the board of directors,

/s/ Dipal Doshi

**PROXY STATEMENT**  
**FOR THE 2024 ANNUAL MEETING OF STOCKHOLDERS**  
**TO BE HELD ON JUNE 13, 2024**

This proxy statement contains information about the 2024 Annual Meeting of Stockholders (the “Annual Meeting”) of Entrada Therapeutics, Inc., which will be held on June 13, 2024, at 9:30 a.m. Eastern Time. In order to leverage technology to enhance stockholder access to the Annual Meeting by enabling stockholder attendance and participation from any location around the world, the Annual Meeting will be held virtually via live webcast. The board of directors of Entrada Therapeutics, Inc. (the “board of directors” or “board”) is using this proxy statement to solicit proxies for use at the Annual Meeting. In this proxy statement, the terms “Entrada,” the “Company,” “we,” “us,” and “our” refer to Entrada Therapeutics, Inc., and where appropriate, our subsidiary. The mailing address of our principal executive office is Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210.

In order to attend the Annual Meeting virtually, you will be required to enter the 16-digit control number provided in the Notice of Internet Availability of Proxy Materials (the “Notice”) or the proxy card at [www.ProxyVote.com](http://www.ProxyVote.com). Beneficial owners of shares held in “street name” should follow the instructions provided in the voting instructions form by the broker, bank or other nominee that holds their shares on how to attend and vote at the Annual Meeting. Please see the “General Information” section of the proxy statement for more details regarding the logistics of the virtual Annual Meeting. You will not be able to attend the Annual Meeting in person.

All properly submitted proxies will be voted in accordance with the instructions contained in those proxies. If no instructions are specified, the proxies will be voted in accordance with the recommendation of our board of directors with respect to each of the matters set forth in the accompanying Notice of Meeting. You may revoke your proxy at any time before it is exercised at the Annual Meeting by giving our Corporate Secretary written notice to that effect.

We made this proxy statement and our Annual Report to Stockholders for the fiscal year ended December 31, 2023 (the “2023 Annual Report”), available to stockholders on or about April , 2024.

We are an “emerging growth company” under applicable federal securities laws and therefore permitted to conform with certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, including the compensation disclosures required of a “smaller reporting company,” as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an “emerging growth company” until the earliest of (i) the last day of the fiscal year following the fifth anniversary of our initial public offering (“IPO”) in November 2021; (ii) the last day of the fiscal year in which our total annual gross revenue is equal to or more than \$1.235 billion; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the Securities and Exchange Commission (the “SEC”). Even after we are no longer an “emerging growth company,” we may remain a “smaller reporting company.”

**Important Notice Regarding the Availability of Proxy Materials for  
the Annual Meeting of Stockholders to be Held on June 13, 2024:**

**This proxy statement, the accompanying proxy card and our 2023 Annual Report are available for viewing,  
printing and downloading at [www.ProxyVote.com](http://www.ProxyVote.com).**

**A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, as filed with the  
SEC, except for exhibits, will be furnished without charge to any stockholder upon written request to  
Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Corporate  
Secretary. This proxy statement and our Annual Report on Form 10-K for the fiscal year ended  
December 31, 2023, are also available on the SEC's website at [www.sec.gov](http://www.sec.gov).**

**ENTRADA THERAPEUTICS, INC.**  
**PROXY STATEMENT**  
**FOR THE 2024 ANNUAL MEETING OF STOCKHOLDERS**

**GENERAL INFORMATION**

**When are this proxy statement and the accompanying materials scheduled to be sent to stockholders?**

We have elected to provide access to our Proxy Materials to our stockholders via the Internet. Accordingly, on or about April 11, 2024, we will begin mailing the Notice. Our Proxy Materials, including the accompanying Notice of the 2024 Annual Meeting of Stockholders, this proxy statement and the accompanying proxy card or, for shares held in “street name” (i.e., held for your account by a broker, bank or other nominee), a voting instruction form, and the 2023 Annual Report, will be mailed or made available to stockholders on the Internet on or about the same date.

**Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of Proxy Materials?**

Pursuant to rules adopted by the SEC, for most of our stockholders, we are providing access to our Proxy Materials over the Internet rather than printing and mailing our Proxy Materials. We believe following this process will expedite the receipt of such materials and will help lower our costs and reduce the environmental impact of our annual meeting materials. Therefore, the Notice was mailed to holders of record and beneficial owners of our common stock starting on or about April 11, 2024. The Notice provides instructions as to how stockholders may access and review our Proxy Materials, including the Notice of the 2024 Annual Meeting of Stockholders, this proxy statement, the proxy card and our 2023 Annual Report, on the website referred to in the Notice or, alternatively, how to request a printed copy of the Proxy Materials, including a proxy card by mail. The Notice also provides voting instructions. In addition, stockholders of record may request to receive the Proxy Materials in printed form by mail, or electronically by e-mail, on an ongoing basis for future stockholder meetings. Please note that, while our Proxy Materials are available at the website referenced in the Notice, and our Notice of the 2024 Annual Meeting of Stockholders, this proxy statement and our 2023 Annual Report are available on our website, no other information contained on either website is incorporated by reference in, or considered to be a part of, this proxy statement.

**Who is soliciting my vote?**

Our board of directors is soliciting your vote for the Annual Meeting.

**When is the record date for the Annual Meeting?**

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 16, 2024.

**How many votes can be cast by all stockholders?**

There were 33,677,918 shares of our common stock, par value \$0.0001 per share, outstanding on April 16, 2024, including shares of restricted common stock, all of which are entitled to vote with respect to all matters to be acted upon at the Annual Meeting. Each stockholder of record is entitled to one vote for each share of our common stock held by such stockholder. None of our shares of undesignated preferred stock were outstanding as of April 16, 2024.

**Who is entitled to vote?**

*Registered Stockholders.* If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or vote on your own behalf at our virtual Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as “stockholders of record.”

*Street Name Stockholders.* If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in “street name,” and the Proxy Materials were forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend our virtual Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock on your own behalf at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. Note that you should also be receiving a voting instruction form for you to use from your broker. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

### **How do I vote?**

If you are a stockholder of record, and your shares are registered directly in your name, there are several ways for you to vote your shares.

*By Internet.* You may vote at [www.ProxyVote.com](http://www.ProxyVote.com), 24 hours a day, seven days a week, by following the instructions at that site for submitting your proxy electronically. You will need the 16-digit control number included on your Notice or the proxy card. Votes submitted through the Internet must be received by 11:59 p.m. Eastern Time, on June 12, 2024.

*By Telephone.* You may vote using a touch-tone telephone by calling 1-800-690-6903 (toll-free from the U.S., U.S. territories and Canada), 24 hours a day, seven days a week. You will need the 16-digit control number included on your Notice or the proxy card. Votes submitted by telephone must be received by 11:59 p.m. Eastern Time, on June 12, 2024.

*By Mail.* If you requested and received a paper copy of the Proxy Materials, you may vote by mail by completing, signing and dating the enclosed proxy card and returning it in the enclosed prepaid envelope. Votes submitted through the mail must be received by June 12, 2024.

*During the Annual Meeting.* If you are a stockholder of record as of the record date, you may vote during the live webcast of the Annual Meeting by visiting [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024), you will be required to enter the 16-digit control number provided in the Notice or the proxy card. If you vote by proxy prior to the Annual Meeting and choose to attend the Annual Meeting online, there is no need to vote again during the Annual Meeting unless you wish to change your vote.

Even if you plan to attend our virtual Annual Meeting, we recommend that you vote by proxy so that your vote will be counted if you later decide not to attend the Annual Meeting. If the Annual Meeting is adjourned or postponed, the deadlines above may be extended.

If you are a beneficial owner of shares held in “street name” by your broker, bank or other nominee, you should have received a voting instruction form with these Proxy Materials from your broker, bank or other nominee rather than from us. The voting deadlines and availability of telephone and Internet voting for beneficial owners of shares will depend on the voting processes of the broker, bank or other nominee that holds your shares. Therefore, we urge you to carefully review and follow the voting instruction form and any other materials that you receive from that institution. **If you hold your shares of Entrada’s common stock in multiple accounts, you should vote your shares as described in each set of Proxy Materials you receive.**

If you submit a proxy without giving voting instructions, your shares will be voted in the manner recommended by the board of directors on all matters presented in this proxy statement, and as the persons named as proxies in the proxy card may determine in their discretion with respect to any other matters properly presented at the Annual Meeting. You may also authorize another person or persons to act for you as proxy in a writing, signed by you or your authorized representative, specifying the details of those proxies’ authority. The original writing must be given to each of the named proxies, although it may be sent to them by electronic transmission if, from that transmission, it can be determined that the transmission was authorized by you.

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including,

without limitation, for the purpose of soliciting additional proxies), the persons named in your proxy and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

### **How can I attend the Annual Meeting?**

The Annual Meeting will be held entirely online. We are utilizing a virtual-only meeting format in order to leverage technology to enhance stockholder access to the Annual Meeting by enabling attendance and participation from any location around the world. To attend and participate in the Annual Meeting, stockholders will need to access the live webcast of the meeting. To do so, stockholders of record will need to visit [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024) and enter the 16-digit control number provided in the Notice or proxy card, and beneficial owners of shares held in “street name” will need to follow the instructions provided in the voting instructions form by the broker, bank or other nominee that holds their shares.

#### ***Access to the live webcast of the Annual Meeting***

The live webcast of the Annual Meeting will begin promptly at 9:30 a.m. Eastern Time on June 13, 2024. Online access to the webcast will open approximately fifteen (15) minutes prior to the start of the Annual Meeting to allow time for you to log in and test the computer audio system. You should allow ample time in advance of the meeting.

Additionally, questions regarding how to attend and participate via the Internet can be answered by following the assistance instructions included at [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024) or by calling the technical support phone number listed on the above-mentioned website.

#### ***Submitting questions at the Annual Meeting***

If you wish to submit a question during the Annual Meeting, you may log into, and submit a question on, the virtual meeting platform at [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024), by entering your 16-digit control number and following the instructions there.

Our Annual Meeting will be governed by the Annual Meeting’s Rules of Conduct, which will address the ability of stockholders to ask questions during the meeting and rules for how questions will be recognized and addressed. Please review the Annual Meeting’s Rules of Conduct for details. The Annual Meeting’s Rules of Conduct will be available on [www.virtualshareholdermeeting.com/TRDA2024](http://www.virtualshareholdermeeting.com/TRDA2024) prior to the Annual Meeting.

#### ***Annual Meeting technical assistance***

Prior to the start of and during the Annual Meeting, we will have a support team ready to assist stockholders with any technical difficulties they may have accessing or hearing the virtual meeting. If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual shareholder meeting log-in page.

### **How do I revoke my proxy?**

If you are a stockholder of record, you may revoke your proxy by (i) following the instructions on the Notice and submitting a new vote by Internet, telephone or mail using the procedures described in the “How do I vote?” section above before the applicable deadline, (ii) attending and voting at the Annual Meeting (although attendance at the Annual Meeting will not in and of itself revoke a proxy), or (iii) by filing an instrument in writing revoking the proxy or by filing another duly executed proxy bearing a later date with our Corporate Secretary. Any written notice of revocation or subsequent proxy card must be received by our Corporate Secretary prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Corporate Secretary or sent to our principal executive offices at Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Corporate Secretary.

If a broker, bank, or other nominee holds your shares, you must contact such broker, bank, or nominee in order to find out how to change your vote.

#### **How is a quorum reached?**

Our Amended and Restated Bylaws (the “bylaws”) provide that a majority of the outstanding shares entitled to vote, present in person or by remote communication, if applicable, or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Shares present virtually during the Annual Meeting will be considered shares of common stock represented in person at the Annual Meeting.

Shares held of record by stockholders or brokers, bankers or other nominees who do not return signed and dated proxy cards or attend the Annual Meeting virtually will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. Abstentions, votes withheld, and broker non-votes, will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

#### **How is the vote counted?**

Votes cast by proxy or online at the Annual Meeting will be counted by the persons appointed by the Company to act as tabulators for the meeting. The tabulators will count all votes FOR, AGAINST and WITHHELD, abstentions and broker non-votes, as applicable, for each matter to be voted on at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Under our bylaws, any proposal other than an election of directors is decided by a majority of the votes properly cast for and against such proposal, except where a larger vote is required by law or by our Fourth Amended and Restated Certificate of Incorporation (the “certificate of incorporation”) or bylaws. Except with respect to Proposal No. 3 (a proposal to amend our certificate of incorporation as permitted by Delaware law), votes withheld, abstentions and broker “non-votes” are not included in the tabulation of the voting results with respect to any such proposal and, therefore, do not have an impact on such proposals.

If your shares are held in “street name” by a brokerage firm, your brokerage firm is required to vote your shares according to your instructions. If you do not give instructions to your brokerage firm, the brokerage firm will still be able to vote your shares in its discretion. Under the rules of the New York Stock Exchange, which are also applicable to Nasdaq-listed companies, brokers, banks and other securities intermediaries that are subject to New York Stock Exchange rules may use their discretion to vote your “uninstructed” shares on matters considered to be “routine” under New York Stock Exchange rules but not with respect to “non-routine” matters. Proposal No. 1 is considered to be a “non-routine” item, or a “non-discretionary” item, thus your broker, bank or other agent may not vote your shares on Proposal No. 1 in the absence of your voting instructions. If you do not instruct your broker, bank or other agent on how to vote with respect to this proposal, those votes will be counted as broker “non-votes.” Proposal No. 2 is considered to be a “routine” item, or a “discretionary” item, and thus if you do not return voting instructions to your broker, your shares may be voted by your broker in its discretion. Accordingly, we do not anticipate that there will be any broker non-votes on this proposal; however, any broker non-votes will have no effect on Proposal No. 2. Proposal No. 3 is considered to be a “non-routine” item, or a “non-discretionary” item, thus your broker, bank or other agent may not vote your shares on Proposal No. 3 in the absence of your voting instructions. If you do not instruct your broker how to vote with respect to this proposal, your broker, bank or other nominee may not vote for this proposal, and those votes will be counted as broker “non-votes.” Abstentions and broker non-votes, if any, will have the same effect on the outcome of Proposal No. 3 as a vote “AGAINST.”

Our certificate of incorporation and bylaws do not provide for cumulative voting in the election of directors. Under our bylaws, directors are elected by plurality vote. This means that the director nominee receiving the highest number of affirmative votes properly cast will be elected as director. You may vote for the director nominee, withhold authority to vote your shares for the director nominee or withhold authority to vote your shares with respect to the director nominee. Withholding authority to vote your shares with

respect to the director nominee will have no effect on the election of the nominee. Broker non-votes will have no effect on the election of the nominee.

To elect our director and approve the other proposals being considered at the Annual Meeting, the voting requirements are as follows:

Proposal	Vote Required	Discretionary Voting Permitted?
Election of Director	Plurality	No
Ratification of Independent Registered Public Accounting Firm	Majority	Yes
Approval of Amendment to our certificate of incorporation to Limit the Liability of Certain Officers of the Company as Permitted under Delaware Law	Majority of Outstanding Shares	No

“*Discretionary Voting Permitted*” means that brokers will have discretionary voting authority with respect to shares held in “street name” for their clients, even if the broker does not receive voting instructions from their client.

“*Majority*” means a majority of the votes properly cast for and against such matter.

“*Majority of Outstanding Shares*” means a majority of outstanding shares of capital stock entitled to vote on such matter. This means that more than 50% of the Company’s outstanding shares on the record date must vote for such proposal.

“*Plurality*” means a plurality of the votes properly cast on such matter. For the election of director, the nominee receiving the highest number of affirmative votes properly cast will be elected as director.

#### **Who pays the cost for soliciting proxies?**

We are making this solicitation and will pay the entire cost of preparing and distributing the Notice and our Proxy Materials and soliciting votes. If you choose to access the Proxy Materials or vote over the Internet, you are responsible for any Internet access charges that you may incur. Our officers and employees may, without compensation other than their regular compensation, solicit proxies through further mailings, personal conversations, facsimile transmissions, e-mails, or otherwise.

#### **How may stockholders submit matters for consideration at an annual meeting?**

Any stockholder who meets the requirements or the proxy rules under the Exchange Act and under our bylaws and certificate of incorporation, may submit proposals to our board of directors to be presented at the 2025 Annual Meeting of stockholders.

Under our certificate of incorporation and bylaws, the required notice must be in writing and received by our Corporate Secretary at our principal executive offices at the address set forth above not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year’s annual meeting. Therefore, to be timely under these provisions, the stockholder’s notice must be received no earlier than February 13, 2025, and no later than March 14, 2025. However, in the event that the date of the annual meeting is advanced by more than 30 days, or delayed by more than 60 days, from the first anniversary of the preceding year’s annual meeting, or if no annual meeting were held in the preceding year, a stockholder’s notice must be so received no earlier than the 120<sup>th</sup> day prior to such annual meeting and not later than the close of business on the later of (A) the 90<sup>th</sup> day prior to such annual meeting and (B) the tenth day following the day on which notice of the date of such annual meeting was mailed or public disclosure of the date of such annual meeting was made, whichever first occurs.

In addition, any stockholder proposal intended to be included in the proxy statement for the next annual meeting of our stockholders in 2025 must also satisfy the requirements or proxy rules under the Exchange Act. Such proposals must comply with Rule 14a-8 under the Exchange Act and be submitted in writing by notice delivered or mailed by first-class United States mail, postage prepaid, to our Corporate Secretary at our principal executive offices at the address set forth above no later than December , 2024 in order to be considered for inclusion in the Proxy Materials to be disseminated by our board of directors

for the 2025 Annual Meeting of stockholders. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within a reasonable time before we begin to print and send Proxy Materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amendment to the Form 8-K to publish the final results.

**PROPOSAL NO. 1 — ELECTION OF DIRECTOR**

Our board of directors currently consists of six members. In accordance with the terms of our certificate of incorporation and bylaws, our board of directors is divided into three classes, Class I, Class II and Class III, with members of each class serving staggered three-year terms. The members of the classes are divided as follows:

- the Class I directors are Dipal Doshi, Kush M. Parmar, M.D., Ph.D. and Mary Thistle, and their terms will expire at the annual meeting of stockholders to be held in 2025;
- the Class II directors are Peter S. Kim, Ph.D. and Bernhardt Zeiher, M.D., and their terms will expire at the annual meeting of stockholders to be held in 2026; and
- the Class III director is Gina Chapman, and her term will expire at the Annual Meeting.

Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual meeting of stockholders in the year in which their term expires.

Our certificate of incorporation and bylaws provide that the authorized number of directors may be changed only by resolution of our board of directors. Our certificate of incorporation also provides that our directors may be removed only for cause by the affirmative vote of the holders of at least two-thirds (2/3) of the outstanding shares then entitled to vote in an annual election of directors, and that any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by vote of a majority of our directors then in office.

Our board of directors has nominated Gina Chapman for election as the Class III director at the Annual Meeting. The nominee is presently a director and has indicated a willingness to continue to serve as a director, if elected. If the nominee becomes unable or unwilling to serve, however, the proxies may be voted for a substitute nominee selected by our board of directors.

Our board of directors has adopted the Nominating and Corporate Governance Committee Policies and Procedures for Director Candidates, which provide that, in evaluating a director candidate, our nominating and corporate governance committee will consider a candidate's character, integrity, judgment, diversity, independence, skills, education, expertise, conflicts of interest, among other factors.

The composition of our board of directors currently includes five individuals who are diverse under the Nasdaq Stock Market LLC ("Nasdaq") listing rule regarding board diversity, as presented in the below Board Diversity Matrix. Under the Nasdaq listing rule, directors who self-identify as (i) female, (ii) an underrepresented minority, or (iii) LGBTQ+ are defined as being diverse.

**PROPOSAL NO. 3 — APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION  
TO LIMIT THE LIABILITY OF CERTAIN OFFICERS OF  
THE COMPANY AS PERMITTED BY DELAWARE LAW**

**Background and Reasons for the Proposed Exculpation Amendment**

In August 2022, the State of Delaware, which is our state of incorporation, enacted legislation that enables Delaware companies to limit the liability of certain of their officers in limited circumstances pursuant to amended Section 102(b)(7) of the General Corporation Law of the State of Delaware (the “DGCL”). Amended DGCL Section 102(b)(7) permits exculpation for direct claims brought by stockholders for breach of an officer’s fiduciary duty of care, including class actions, but does not eliminate officers’ monetary liability for breach of fiduciary duty claims brought by the corporation itself or for derivative claims brought by stockholders in the name of the corporation. Furthermore, the limitation on liability does not apply to breaches of the duty of loyalty, acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, or any transaction in which the officer derived an improper personal benefit.

Our board of directors believes it is appropriate for public companies in states that allow exculpation of officers to have exculpation clauses in their certificates of incorporation. Adopting an officer exculpation provision that aligns with the protections afforded under the DGCL could prevent protracted or otherwise meritless litigation that distracts from our primary objective of creating stockholder value over the long term. The nature of the role of directors and officers often requires them to make decisions on crucial matters. Frequently, directors and officers must make decisions in response to time-sensitive opportunities and challenges, which can create substantial risk of investigations, claims, actions, suits, or proceedings seeking to impose liability on the basis of hindsight, especially in the current litigious environment and regardless of merit. Our board of directors believes that limiting concern about personal liability will empower officers to best exercise their business judgment in furtherance of stockholder interests without the distraction of potentially being subject to claims following actions taken in good faith.

In addition, our board of directors believes it is important to provide protection to officers to the extent permitted by the DGCL to attract and retain executive talent. This protection has long been afforded to directors and other public companies have updated their governing documents to align with amended Section 102(b)(7) of the DGCL, and we expect this practice to continue. The corporate law codes of several other states already permit corporations to exculpate officers in a similar manner to Section 102(b)(7). Therefore, our ability to attract and retain highly qualified officer candidates may be adversely impacted if we do not implement the expanded protections now offered under Delaware law. Further, our board of directors believes that the proposed amendment to our certificate of incorporation would not negatively impact shareholder rights, particularly taking into account the narrow class and type of claims for which officers’ liability would be exculpated.

Accordingly, on March 12, 2024, our board of directors determined that it is advisable and in the best interests of the Company and our stockholders to amend our certificate of incorporation to amend and restate Article VII to adopt amended DGCL Section 102(b)(7) (the “Exculpation Amendment”) and extend exculpation protection to our officers, and authorized and approved the proposed Exculpation Amendment, subject to approval by our stockholders at the Annual Meeting. Our board of directors believes the proposed Exculpation Amendment would better position the Company to attract top officer candidates, retain our current officers and enable our officers to exercise their business judgment in furtherance of the interests of the stockholders without the potential for distraction posed by the risk of personal liability. Additionally, it would align the protections for our officers with those protections currently afforded to our directors.

### **Text of the Proposed Exculpation Amendment**

Our certificate of incorporation currently provides for the exculpation of directors, but does not include a provision that allows for the exculpation of officers. To ensure the Company is able to attract and retain key officers and in an effort to reduce litigation costs associated with frivolous lawsuits, we propose to amend and restate Article VII of our certificate of incorporation to read in its entirety as follows:

#### “ARTICLE VII

#### LIMITATION OF LIABILITY

1. Liability of Directors. To the fullest extent permitted by law, no Director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of his or her fiduciary duty as a Director, except for liability (a) for any breach of the Director’s duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL or (d) for any transaction from which the Director derived an improper personal benefit. If the DGCL is amended after the effective date of this Certificate to authorize corporate action further eliminating or limiting the personal liability of a Director, then the liability of a Director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

2. Liability of Officers. To the fullest extent permitted by law, no Officer (as defined below) of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of his or her fiduciary duty as an Officer of the Corporation, except for liability (a) for any breach of the Officer’s duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) for any transaction from which the Officer derived an improper personal benefit, or (d) arising from any claim brought by or in the right of the Corporation. If the DGCL is amended after the effective date of this Certificate to authorize corporate action further eliminating or limiting the personal liability of an Officer, then the liability of an Officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. For purposes of this Article VII, “Officer” shall mean an individual who has been duly appointed as an officer of the Corporation and who, at the time of an act or omission as to which liability is asserted, is deemed to have consented to service of process to the registered agent of the Corporation as contemplated by 10 Del. C. § 3114(b).

3. Amendment or Modification. Any amendment, repeal or modification of this Article VII by either of (i) the stockholders of the Corporation or (ii) an amendment to the DGCL, shall not adversely affect any right or protection existing at the time of such amendment, repeal or modification with respect to any acts or omissions occurring before such amendment, repeal or modification of a person serving as a Director or an Officer, as applicable, at the time of such amendment, repeal or modification.”

The proposed Certificate of Amendment to our certificate of incorporation (the “Certificate of Amendment”) reflecting the foregoing Exculpation Amendment is attached as Appendix A to this proxy statement.

### **Timing and Effect of the Charter Amendment**

If the proposed Exculpation Amendment is approved by our stockholders, it will become effective immediately upon the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware, which we expect to file promptly after the Annual Meeting. Other than the amendment and restatement of the Article VII of our certificate of incorporation, the remainder of our certificate of incorporation will remain unchanged after effectiveness of the Charter Amendment. If the proposed Exculpation Amendment is not approved by our stockholders, our certificate of incorporation will remain unchanged. In accordance with the DGCL, our board of directors may elect to abandon the proposed Exculpation Amendment without further action by the stockholders at any time prior to the effectiveness of the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware, notwithstanding stockholder approval of the proposed Exculpation Amendment. The proposed Exculpation Amendment is not being proposed in response to any specific resignation, threat of resignation or refusal to serve by any officer.

**Vote Required and Board of Directors' Recommendation**

For Proposal No. 3, the affirmative vote of holders of a majority of the shares outstanding and entitled to vote as of the record is required to approve the Exculpation Amendment. Abstentions and broker non-votes will have the effect of a vote AGAINST the Exculpation Amendment.

**The board of directors recommends voting "FOR" Proposal No. 3 to approve an amendment to our certificate of incorporation to limit the liability of certain officers of the Company as permitted by Delaware law.**

## CORPORATE GOVERNANCE

### Director Nomination Process

Our nominating and corporate governance committee is responsible for identifying individuals qualified to serve as directors, consistent with criteria approved by our board, and recommending such persons to be nominated for election as directors, except where we are legally required by contract, law or otherwise to provide third parties with the right to nominate.

The process followed by our nominating and corporate governance committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates by management, recruiters, members of the committee and our board. The qualifications, qualities and skills that our nominating and corporate governance committee believes must be met by a committee recommended nominee for a position on our board of directors are as follows:

- Nominees should demonstrate high standards of personal and professional ethics and integrity.
- Nominees should have proven achievement and competence in the nominee’s field and the ability to exercise sound business judgment.
- Nominees should have skills that are complementary to those of the existing board of directors.
- Nominees should have the ability to assist and support management and make significant contributions to the Company’s success.
- Nominees should have an understanding of the fiduciary responsibilities that is required of a member of the board of directors and the commitment of time and energy necessary to diligently carry out those responsibilities.

Stockholders may recommend individuals to the nominating and corporate governance committee for consideration as potential director candidates. Any such proposals should be submitted to our Corporate Secretary at our principal executive offices no later than the close of business on the 90<sup>th</sup> day nor earlier than the close of business on the 120<sup>th</sup> day prior to the one-year anniversary of the date of the preceding year’s annual meeting and should include appropriate biographical and background material to allow the nominating and corporate governance committee to properly evaluate the potential director candidate and the number of shares of our stock beneficially owned by the stockholder proposing the candidate. Stockholder proposals should be addressed to Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Corporate Secretary. Assuming that biographical and background material has been provided on a timely basis in accordance with our bylaws, any recommendations received from stockholders will be evaluated in the same manner as potential nominees proposed by the nominating and corporate governance committee. If our board of directors determines to nominate a stockholder recommended candidate and recommends his or her election, then his or her name will be included on our proxy card for the next annual meeting of stockholders. See “Stockholder Proposals” for a discussion of submitting stockholder proposals.

### Director Independence

Applicable Nasdaq rules require a majority of a listed company’s board of directors to be comprised of independent directors within one year of listing. In addition, the Nasdaq rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act and that compensation committee members satisfy independence criteria set forth in Rule 10C-1 under the Exchange Act. Under applicable Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of the listed company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept,

directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries. In addition, in affirmatively determining the independence of any director who will serve on a company's compensation committee, Rule 10C-1 under the Exchange Act requires that a company's board of directors must consider all factors specifically relevant to determining whether a director has a relationship to such company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including: the source of compensation to the director, including any consulting, advisory or other compensatory fee paid by such company to the director, and whether the director is affiliated with the company or any of its subsidiaries or affiliates.

Our board of directors has determined that all members of our board of directors, except Dipal Doshi and Peter S. Kim, Ph.D., are independent directors, including for purposes of the rules of Nasdaq and the SEC. In making such independence determination, our board of directors considered the relationships that each non-employee director has with us and all other facts and circumstances that our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. In considering the independence of the directors listed above, our board of directors considered the association of our directors with the holders of more than 5% of our common stock. There are no family relationships among any of our directors or executive officers. Mr. Doshi is not an independent director under these rules because he is the Chief Executive Officer of the Company. Dr. Kim is not an independent director under these rules due to his service and compensation received as a strategic advisor to the Company within the past three years.

### **Board Committees**

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee. Each of the audit committee, compensation committee and nominating and corporate governance committee operates under a charter that satisfies the applicable standards of the SEC and Nasdaq. Each such committee reviews its respective charter at least annually. A current copy of the charter for each of the audit committee, compensation committee and nominating and corporate governance committee is posted on the corporate governance section of our website [www.entradatx.com](http://www.entradatx.com).

### ***Audit Committee***

Kush M. Parmar, M.D., Ph.D., Mary Thistle and Gina Chapman, serve on the audit committee, which is chaired by Mary Thistle. Our board of directors has determined that each member of the audit committee is "independent" for audit committee purposes as that term is defined by the rules of the SEC and Nasdaq, and that each has sufficient knowledge in financial and auditing matters to serve on the audit committee. Our board of directors has designated Mary Thistle, as an "audit committee financial expert," as defined under the applicable rules of the SEC. During the fiscal year ended December 31, 2023, the audit committee met four (4) times. The audit committee's responsibilities include:

- appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;
- pre-approving auditing and permissible non-audit services, and the terms of such services, to be provided by our independent registered public accounting firm;
- reviewing the overall audit plan with our independent registered public accounting firm and members of management responsible for preparing our financial statements;
- reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and related disclosures as well as critical accounting policies and practices used by us;
- coordinating the oversight and reviewing the adequacy of our internal control over financial reporting;
- establishing policies and procedures for the receipt and retention of accounting-related complaints and concerns;

- recommending, based upon the audit committee’s review and discussions with management and our independent registered public accounting firm, whether our audited financial statements shall be included in our Annual Report on Form 10-K;
- monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements and accounting matters;
- preparing the audit committee report required by SEC rules to be included in our annual proxy statement;
- reviewing all related person transactions for potential conflict of interest situations and approving all such transactions;
- reviewing quarterly earnings releases; and
- overseeing our risk management protocols and procedures, including our information security, cybersecurity and technology risks and programs, and preparing an annual report to our board of directors on the audit committee’s risk assessment findings and risk management activities.

All audit and non-audit services, other than *de minimis* non-audit services, to be provided to us by our independent registered public accounting firm must be approved in advance by our audit committee.

#### ***Compensation Committee***

Kush M. Parmar, M.D., Ph.D., Mary Thistle and Bernhardt Zeiher, M.D., serve on the compensation committee, which is chaired by Kush M. Parmar, M.D., Ph.D. Our board of directors has determined that each member of the compensation committee is “independent” as defined in the applicable Nasdaq rules. During the fiscal year ended December 31, 2023, the compensation committee met six (6) times. The compensation committee’s responsibilities include:

- annually reviewing and recommending to the board of directors the corporate goals and objectives relevant to the compensation of our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer in light of such corporate goals and objectives and based on such evaluation: (i) reviewing and approving the cash compensation of our Chief Executive Officer, and (ii) reviewing and approving grants and awards to our Chief Executive Officer under equity-based plans;
- reviewing and approving the compensation of our other executive officers;
- reviewing and establishing our overall management compensation philosophy and policy;
- overseeing and administering our compensation and similar plans;
- reviewing and approving the retention or termination of any consulting firm or outside advisor to assist in the evaluation of compensation matters and evaluating and assessing potential and current compensation advisors in accordance with the independence standards identified in the applicable Nasdaq rules;
- retaining and approving the compensation of any compensation advisors;
- reviewing and approving our policies and procedures for the grant of equity-based awards;
- reviewing and recommending to the board of directors the compensation of our directors; and
- preparing the compensation committee report required by SEC rules, if and when required, to be included in our annual proxy statement.

#### ***Nominating and Corporate Governance Committee***

Kush M. Parmar, M.D., Ph.D. and Gina Chapman serve on the nominating and corporate governance committee, which is chaired by Kush M. Parmar, M.D., Ph.D. Our board of directors has determined that each member of the nominating and corporate governance committee is “independent” as defined in the applicable Nasdaq rules. During the fiscal year ended December 31, 2023, the nominating and corporate

governance committee met three (3) times. The nominating and corporate governance committee's responsibilities include:

- developing and recommending to the board of directors criteria for board and committee membership;
- establishing procedures for identifying and evaluating board of director candidates, including nominees recommended by stockholders;
- reviewing the composition of the board of directors to ensure that it is composed of members containing the appropriate skills and expertise to advise us;
- identifying individuals qualified to become members of the board of directors;
- recommending to the board of directors the persons to be nominated for election as directors and to each of the board's committees;
- reviewing and recommending to the board of directors appropriate corporate governance guidelines; and
- overseeing the evaluation of our board of directors.

The nominating and corporate governance committee considers candidates for board membership suggested by its members and the Chief Executive Officer. Additionally, in selecting nominees for directors, the nominating and corporate governance committee will review candidates recommended by stockholders in the same manner and using the same general criteria as candidates recruited by the committee and/or recommended by our board of directors. Any stockholder who wishes to recommend a candidate for consideration by the committee as a nominee for director should follow the procedures described later in this proxy statement under the heading "Stockholder Proposals." The nominating and corporate governance committee will also consider whether to nominate any person proposed by a stockholder in accordance with the provisions of our bylaws relating to stockholder nominations as described later in this proxy statement under the heading "Stockholder Proposals."

*Identifying and Evaluating Director Nominees.* Our board of directors is responsible for filling vacancies on our board of directors and for nominating candidates for election by our stockholders each year in the class of directors whose term expires at the relevant annual meeting. The board of directors delegates the selection and nomination process to the nominating and corporate governance committee, with the expectation that other members of the board of directors, and of management, will be requested to take part in the process as appropriate.

Generally, the nominating and corporate governance committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the nominating and corporate governance committee deems to be helpful to identify candidates. Once candidates have been identified, the nominating and corporate governance committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the nominating and corporate governance committee. The nominating and corporate governance committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the nominating and corporate governance committee deems to be appropriate in the evaluation process. The nominating and corporate governance committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of our board of directors. based on the results of the evaluation process, the nominating and corporate governance committee recommends candidates for the board of directors' approval to fill a vacancy or as director nominees for election to the board of directors by our stockholders each year in the class of directors whose term expires at the relevant annual meeting.

#### **Board and Committee Meetings Attendance**

The full board of directors met six (6) times during 2023. During 2023, each member of the board of directors attended in person or participated in 75% or more of the aggregate of (i) the total number of meetings of the board of directors (held during the period for which such person has been a director), and

(ii) the total number of meetings held by all committees of the board of directors on which such person served (during the periods that such person served).

#### **Director Attendance at Annual Meeting of Stockholders**

Under our corporate governance guidelines, each of our directors is expected to attend our annual meetings of stockholders to the extent practicable, and we encourage our directors to attend our annual meetings of stockholders. Last year, we held an annual meeting of stockholders on June 8, 2023, at which our five (5) continuing directors who were members of our board of directors at such time were present.

#### **Policy on Trading, Pledging and Hedging of Company Stock**

Certain transactions in our securities (such as purchases and sales of publicly traded put and call options, and short sales) create a heightened compliance risk or could create the appearance of misalignment between management and stockholders. In addition, securities held in a margin account or pledged as collateral may be sold without consent if the owner fails to meet a margin call or defaults on the loan, thus creating the risk that a sale may occur at a time when an officer or director is aware of material, non-public information or otherwise is not permitted to trade in Company securities. Our amended and restated insider trading policy expressly prohibits short sales and derivative transactions of our stock and purchases or sales of puts, calls, or other derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Company's securities or an opportunity, direct or indirect, to profit from any change in the value of the Company's securities or engage in any other hedging transaction with respect to the Company's securities, at any time, by our executive officers, directors and employees and certain designated consultants.

#### **Rule 10b5-1 Trading Plan Policy**

We have adopted a Rule 10b5-1 trading plan policy, which permits our officers, directors, and certain other persons to enter into trading plans complying with Rule 10b5-1 under the Exchange Act. Generally, under these trading plans, the individual relinquishes control over the transactions once the trading plan is put into place and can only put such plans into place while the individual is not in possession of material non-public information. Accordingly, sales under these plans may occur at any time, including possibly before, simultaneously with, or immediately after significant events involving our company.

#### **Compensation Recovery Policy**

In accordance with the requirements of the SEC and Nasdaq listing rules, our board of directors adopted a compensation recovery policy on September 14, 2023. The compensation recovery policy provides that in the event we are required to prepare a restatement of financial statements due to material noncompliance with any financial reporting requirement under securities laws, we will seek to recover any incentive-based compensation that was based upon the attainment of a financial reporting measure and that was received by any current or former executive officer during the three-year period preceding the date that the restatement was required if such compensation exceeds the amount that the executive officers would have received based on the restated financial statements.

#### **Environmental, Social and Governance ("ESG")**

A continued area of focus for our board of directors has been our ESG-related practices which are integrated into our business strategy and planning including patient access to medicines, product safety, human capital management, and ethics and compliance. These are among the areas of focus that are critical to our long-term success and resiliency. We are therefore committed to increasing our transparency and further identifying issues that may have a material effect on corporate strategy, risks, opportunities or performance.

**Human Capital Management.** Our future success depends on our ability to attract, develop and retain key personnel, maintain our culture, and ensure diversity and inclusivity in our board, management and broader workforce. Our human capital resources objectives include, as applicable, identifying, recruiting, retaining, incentivizing and integrating our existing and new employees. The principal purposes of our equity

and cash incentive plans are to attract, retain and reward personnel, whether existing employees or new hires, through the granting of stock-based and cash-based compensation awards. We believe that this increases value to our stockholders and the success of our company by motivating such individuals to perform to the best of their abilities and achieve our objectives.

**Health and Safety.** As the success of our business is fundamentally connected to the well-being of our employees, we are committed to their health, safety and wellness. We provide our employees and their families with access to convenient health and wellness programs, including benefits that provide protection and security giving them peace of mind concerning events that may require time away from work or that impact their financial well-being; and that offer choices where possible so they can customize their benefits to meet their needs and the needs of their families.

#### **Code of Business Conduct and Ethics**

We have adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A current copy of the code of business conduct and ethics is posted on the corporate governance section of our website, which is located at [www.ir.entradatx.com/corporate-governance](http://www.ir.entradatx.com/corporate-governance). If we make any substantive amendments to, or grant any waivers from, the code of business conduct and ethics for any officer or director, we will disclose the nature of such amendment or waiver on our website or in a Form 8-K.

#### **Compensation Committee Interlocks and Insider Participation**

None of the members of our compensation committee has at any time during the prior three years been one of our officers or employees. None of our executive officers currently serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or compensation committee.

#### **Board Leadership Structure and Board's Role in Risk Oversight**

Currently, the role of chairman of the board is separated from the role of chief executive officer, and we plan to keep these roles separate. We believe that separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the board to lead the board of directors in its fundamental role of providing advice to and independent oversight of management. Our board of directors recognizes the time, effort, and energy that the chief executive officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as the board of directors' oversight responsibilities continue to grow. While our bylaws and our corporate governance guidelines do not require that our chairman and chief executive officer positions be separate, our board of directors believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent to every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including risks relating to our financial condition, development and commercialization activities, operations, strategic direction, cybersecurity and intellectual property. Management is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our board of directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The role of the board of directors in overseeing the management of our risks is conducted primarily through committees of the board of directors, as disclosed in the descriptions of each of the committees above and in the charters of each of the committees. The full board of directors (or the appropriate board committee in the case of risks that are under the purview of a particular committee) discusses with management our major risk exposures, their potential impact on us, and the steps we take to manage them. When a board committee is responsible for evaluating and overseeing the management of a particular risk or risks, the chairman of the relevant committee reports on the discussion to the full board of directors

during the committee reports portion of the next board meeting. This enables the board of directors and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

#### **Communication with the Directors of Entrada**

Any interested party with concerns about our company may report such concerns to the board of directors or the chairman of our board of directors and nominating and corporate governance committee, by submitting a written communication to the attention of such director at the following address:

c/o Entrada Therapeutics, Inc.  
One Design Center Place  
Suite 17-500  
Boston, MA 02210  
United States

You may submit your concern anonymously or confidentially by postal mail. You may also indicate whether you are a stockholder, service provider, supplier or other interested party.

A copy of any such written communication may also be forwarded to Entrada's legal counsel and a copy of such communication may be retained for a reasonable period of time. The director may discuss the matter with Entrada's legal counsel, with independent advisors, with non-management directors, or with Entrada's management, or may take other action or no action as the director determines in good faith, using reasonable judgment and applying his or her own discretion.

Communications may be forwarded to other directors if they relate to important substantive matters and include suggestions or comments that may be important for other directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

The audit committee oversees the procedures for the receipt, retention, and treatment of complaints received by Entrada regarding accounting, internal accounting controls, or audit matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting, internal accounting controls or auditing matters. Entrada has also established a toll-free telephone number for the reporting of such activity, which is (844) 929-3047.

## EXECUTIVE AND DIRECTOR COMPENSATION

As an emerging growth company, we have opted to comply with the executive compensation disclosure rules applicable to “smaller reporting companies,” as such term is defined in the rules promulgated under the Securities Act of 1933, as amended (the “Securities Act”). This section provides an overview of the compensation awarded to, earned by, or paid to each individual who served as our principal executive officer during our fiscal year 2023, and our next two most highly compensated executive officers in respect of their service to our company for the fiscal year ended December 31, 2023. We refer to these individuals as our named executive officers. The compensation provided to our named executive officers for the fiscal year ended December 31, 2023, is detailed in the 2023 Summary Compensation Table and accompanying footnotes and narrative that follow. Our named executive officers for the fiscal year ended December 31, 2023, are:

- Dipal Doshi, our Chief Executive Officer;
- Natarajan Sethuraman, Ph.D., our Chief Scientific Officer; and
- Nathan J. Dowden, our President and Chief Operating Officer.

To date, the compensation of our named executive officers has consisted of a combination of base salary, cash bonuses and long-term incentive compensation in the form of stock options and restricted stock awards. Our named executive officers, like all full-time employees, are eligible to participate in our health and welfare benefit plans.

Our compensation committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our executive compensation programs and related policies. In 2023, the compensation committee retained the services of Pay Governance, as its external compensation consultant and the board of directors and the compensation committee considered Pay Governance’s input on certain compensation matters as they deemed appropriate. Pay Governance assisted in developing a group of peer companies to help us determine overall compensation for our executive officers and non-employee directors, as well as to assess each separate element of compensation. The goal was to ensure that the compensation we offer to our executive officers, individually as well as in the aggregate, is competitive and aligned with our business and executive talent requirements. We do not believe the retention of, and the work performed by, Pay Governance creates any conflict of interest because Pay Governance performs no other work for our company besides advising the compensation committee.

### 2023 Summary Compensation Table

## **Narrative to Summary Compensation Table**

### ***Base Salaries***

We use base salaries to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our named executive officers. Base salaries are reviewed annually, typically in connection with our annual performance review process, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience. For 2023, the base salaries for each of Mr. Doshi, Dr. Sethuraman and Mr. Dowden were \$585,000, \$456,501 and \$456,501, respectively.

### ***Equity Compensation***

Although we do not have a formal policy with respect to the grant of equity incentive awards to our executive officers, we believe that equity grants provide our executives with a strong link to our long-term performance, create an ownership culture and help to align the interests of our executives and our stockholders. In addition, we believe that equity grants with a time-based vesting feature promote executive retention because this feature incentivizes our executive officers to remain in our employment during the vesting period. During the year ended December 31, 2023, we granted awards of stock options and restricted stock units to each of the named executive officers, as described in more detail in the "Outstanding Equity Awards at 2023 Fiscal Year-End" table.

### ***Non-Equity Incentive Plan Compensation***

We pay cash bonuses to reward our executives for their performance over the fiscal year, based on the achievement of certain corporate performance goals, as further described below. We believe such bonuses properly incentivize our named executive officers and allow us to remain competitive within the marketplace. During 2023, each of Mr. Doshi, Dr. Sethuraman and Mr. Dowden were entitled to receive a target bonus of 55%, 40% and 40% of their base salary, respectively. The bonus was calculated on a pro-rata basis accordingly. Based on our achievement of the applicable performance goals for 2023 at 115%, each named executive officer earned the amounts set forth in the 2023 Summary Compensation Table above.

### ***Employment Arrangements with Our Named Executive Officers***

#### ***Dipal Doshi***

The Doshi Agreement provides for an annual base salary, an annual bonus opportunity and eligibility to participate in our employee benefit plans. If Mr. Doshi's employment is terminated without "cause" or for "good reason," outside of the Doshi Sale Event Period (as defined below), Mr. Doshi is entitled to severance equal to (i) base salary continuation for 12 months (less any applicable Restrictive Covenant Setoff (as defined in the Doshi Agreement)), (ii) any unpaid bonus for any completed prior fiscal year based on actual performance when it would otherwise have been paid, (iii) a pro rata bonus for the year of termination based on actual performance and paid when annual bonuses for such year are paid to senior executives generally, and (iv) if Mr. Doshi elects to maintain medical, dental and vision insurance coverage under COBRA, payments to Mr. Doshi equal to the amounts the Company would have paid to the carrier with

*Natarajan Sethuraman, Ph.D.*

If Dr. Sethuraman's employment is terminated without "cause" or for "good reason," outside of the Sale Event Period (as defined below), Dr. Sethuraman is entitled to severance equal to (i) base salary continuation for 9 months (less any applicable Restrictive Covenant Setoff (as defined in the Sethuraman Agreement)), (ii) any unpaid bonus for any completed prior fiscal year based on actual performance when it would otherwise have been paid, (iii) pro rata bonus for the year of termination based on actual performance and paid when annual bonuses for such year are paid to senior executives generally, and (iv) if Dr. Sethuraman elects to maintain medical, dental and vision insurance coverage under COBRA, payments to Dr. Sethuraman equal to the amounts the Company would have paid to the carrier with respect to Dr. Sethuraman's coverage for 9 months. If Dr. Sethuraman's employment is terminated without "cause" or for "good reason," during the period beginning 90 days prior to a Sale Event (as defined in the Sethuraman Agreement) and ending on the twelve-month anniversary of the Sale Event (the "Sale Event Period"), Dr. Sethuraman is entitled to severance equal to (i) 100% acceleration of all outstanding and unvested equity awards, provided that any applicable performance conditions will be deemed satisfied at the higher of actual achievement or target level, (ii) a lump sum payment equal to 100% of base salary and 100% of Dr. Sethuraman's target bonus in effect immediately prior to the termination (less any applicable Restrictive Covenant Setoff), (iii) any unpaid bonus for any completed prior fiscal year based on actual performance when it would otherwise have been paid, (iv) pro rata bonus for the year of termination based on target performance, and (v) if Dr. Sethuraman elects to maintain medical, dental and vision insurance coverage under COBRA, payments to Dr. Sethuraman equal to the amounts the Company would have paid to the carrier with respect to Dr. Sethuraman's coverage for 12 months. The Sethuraman Agreement also provides for proprietary and confidential information and assignment provisions, non-competition, and non-solicitation provisions.

- (1) Unless otherwise noted, 25% of the shares subject to each award vest upon the first anniversary of the vesting commencement date, with the remainder vesting in 36 equal monthly installments thereafter, such that the award is fully vested as of the fourth anniversary of the vesting commencement date, subject to the named executive officer's continuous service relationship through each such date.
- (2) Each stock option granted prior to our IPO in October 2021 has an early exercise feature. - (3) Unless otherwise noted, each restricted stock unit award vests over four years in equal annual installments, subject to continued service with us through each applicable vesting date.
- (4) This award vests in 48 equal monthly installments.

### ***Employee Benefit and Equity Compensation Plans***

#### ***2021 Employee Stock Purchase Plan***

On September 30, 2021, our board of directors adopted the 2021 Employee Stock Purchase Plan (the "ESPP") and on October 22, 2021, our stockholders subsequently approved the ESPP. The ESPP is intended to qualify as an "employee stock purchase plan" within the meaning of Section 423(b) of the Code. The ESPP initially reserves and authorizes the issuance of up to a total of 278,762 shares of common stock to participating employees. The ESPP provides that the number of shares reserved and available for issuance will automatically increase each January 1, beginning on January 1, 2022 and each January 1 thereafter through January 1, 2031, by the least of (i) 1% of the outstanding number of shares of our common stock on the immediately preceding December 31, (ii) 557,524 shares or (iii) such number of shares as determined by the ESPP administrator. The number of shares reserved under the ESPP is subject to adjustment in the event of a stock split, stock dividend or other change in our capitalization.

All employees whose customary employment is for more than 20 hours per week are eligible to participate in the ESPP. However, any participating employee who would own 5% or more of the total

combined voting power or value of all classes of stock after an option were granted under the ESPP would not be eligible to purchase shares under the ESPP.

We will make one or more offerings each year to our employees to purchase shares under the ESPP. Each eligible employee may elect to participate in any offering by submitting an enrollment form by the deadline established prior to the relevant offering date.

Each employee who is a participant in the ESPP may purchase shares by authorizing payroll deductions of up to 15% of his or her base compensation during an offering period. Unless the participating employee has previously withdrawn from the offering, his or her accumulated payroll deductions will be used to purchase shares on the last business day of the offering period at a price equal to 85% of the fair market value of the shares on the first business day or the last business day of the offering period, whichever is lower. Under applicable tax rules, an employee may purchase no more than \$25,000 worth of shares of common stock, valued at the start of the purchase period, under the ESPP in any calendar year.

The accumulated payroll deductions of any employee who is not a participant on the last day of an offering period will be refunded. An employee's rights under the ESPP terminate upon voluntary withdrawal from the plan or when the employee ceases employment with us for any reason.

#### ***Senior Executive Cash Incentive Bonus Plan***

Our named executive officers participate in the Senior Executive Cash Incentive Bonus Plan (the "Bonus Plan"). The Bonus Plan provides for cash bonus payments based upon the attainment of performance targets established by our compensation committee.

The payment targets will be related to financial and operational measures or objectives with respect to our company, or corporate performance goals, as well as individual performance objectives. Our compensation committee may select corporate performance goals from among the following: achievement of specified research and development, publication, clinical and/or regulatory milestones, adjusted billings, earnings before interest, taxes, depreciation and amortization, net income (loss) (either before or after interest, taxes, depreciation and/or amortization), changes in the market price of our common stock, economic value-added, funds from operations or similar measure, sales or revenue, acquisitions or strategic transactions, operating income (loss), cash flow (including, but not limited to, operating cash flow and free cash flow), return on capital, assets, equity, or investment, stockholder returns, return on sales, gross or net profit levels, productivity, efficiency, margins, operating efficiency, customer satisfaction, working capital, earnings (loss) per share of stock, bookings, new bookings or renewals, sales or market shares; number of customers number of new customers or customer references; operating income and/or net annual recurring revenue, any of which may be measured in absolute terms, as compared to any incremental increase, in terms of growth, or as compared to results of a peer group, against the market as a whole, compared to applicable market indices and/or measured on a pre-tax or post-tax basis.

Each executive officer who is selected to participate in the Bonus Plan will have a target bonus opportunity set for each performance period. The bonus formulas will be adopted in each performance period by the compensation committee and communicated to each executive. The corporate performance goals will be measured at the end of each performance period after our financial reports have been published or at such other appropriate time as the compensation committee determines. If the corporate performance goals and individual performance objectives are met, payments will be made as soon as practicable following the end of each performance period. Subject to the rights contained in any agreement between the executive officer and us, an executive officer must be employed by us on the bonus payment date to be eligible to receive a bonus payment. The Bonus Plan also permits the compensation committee to adjust or approve additional bonuses to executive officers in its sole discretion.

#### **Health and Welfare Benefits**

Our named executive officers, like all full-time employees, are eligible to participate in our health and welfare benefit plans.

#### **Perquisites and Personal Benefits**

We generally do not provide perquisites to our executives.

### 401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax-advantaged basis (the “401(k) Plan”). Participants in the 401(k) Plan are able to defer eligible compensation on a pre-tax or after tax (Roth) basis, subject to applicable annual Internal Revenue Code limits. In addition, the named executive officers are eligible to receive matching 401(k) plan contributions on the same basis as other employees.

### Non-Employee Director Compensation Policy

Our board of directors adopted a non-employee director compensation policy that became effective upon consummation of our IPO and was subsequently amended and restated in March 2023. This policy is designed to enable us to attract and retain, on a long-term basis, highly qualified non-employee directors. Under the current policy, each director who is not an employee will be paid cash compensation as set forth below:

Position	Annual Retainer
<b>Board of Directors:</b>	
Members	\$40,000 <sup>(1)</sup>
Additional Retainer for chair	\$30,000
<b>Audit Committee:</b>	
Members (other than chair)	\$ 7,500
Retainer for chair	\$15,000
<b>Compensation Committee:</b>	
Members (other than chair)	\$ 5,000
Retainer for chair	\$10,000
<b>Nominating and Corporate Governance Committee:</b>	
Members (other than chair)	\$ 4,000
Retainer for chair	\$ 8,000

- (1) The Annual Retainer for all members of the board of directors was increased by the board of directors in March 2023 from \$37,500 to \$40,000.

In addition, the current non-employee director compensation policy provides that, upon initial election to our board of directors, each non-employee director will be granted an option to purchase shares of our common stock in the amount of the lesser of (x) a Value (as defined below) of \$500,000 and (y) an option to purchase 32,000 shares of our common stock (the “Initial Grant”). The Initial Grant will vest in equal monthly installments over three years, subject to continued service through the applicable vesting date. Furthermore, on the date of each of our annual meetings of stockholders, each non-employee director who continues as a non-employee director following such meeting will be granted an option to purchase shares of our common stock in the amount of the lesser of (x) a Value (as defined below) of \$250,000 and (y) an option to purchase 16,000 shares of our common stock (the “Annual Grant”). The Annual Grant will vest in full on the earlier of (i) the first anniversary of the grant date or (ii) our next annual meeting of stockholders, subject to continued service through the applicable vesting date. Such awards are subject to full accelerated vesting upon the sale of the company, or upon the death or disability of the non-employee director. For purposes of the non-employee director compensation policy, “Value” shall mean the grant date fair value of the option (i.e., Black-Scholes Value) determined in accordance with the reasonable assumptions and methodologies employed by us for calculating the fair value of options under ASC 718.

The grant date fair value of all equity awards and all other cash compensation paid by us to any non-employee director in any calendar year for services as a non-employee director shall not exceed \$750,000; provided, however, that such amount shall be \$1,200,000 for the calendar year in which the applicable non-employee director is initially elected or appointed to the board of directors.

We will reimburse all reasonable out-of-pocket expenses incurred by non-employee directors for their attendance at meetings of our board of directors or any committee thereof.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Certain Relationships and Transactions

Other than the compensation agreements and other arrangements described under “Executive Compensation” and “Director Compensation” in this proxy statement and the transactions described below, since January 1, 2023, there has not been and there is not currently proposed, any transaction or series of similar transactions to which we were, or will be, a party in which the amount involved exceeded, or will exceed, \$120,000 (or, if less, 1% of the average of our total assets amounts at December 31, 2022 and 2023) and in which any director, executive officer, holder of 5% or more of any class of our capital stock or any member of the immediate family of, or entities affiliated with, any of the foregoing persons, had, or will have, a direct or indirect material interest.

### Agreements with Our Stockholders

In connection with our preferred stock financings prior to our IPO, we entered into an investors’ rights agreement, voting agreement and right of first refusal agreement, in each case, with the purchasers of our preferred stock and certain holders of our common stock. All of the material provisions of these agreements terminated immediately prior to the completion of our IPO, other than the provisions relating to registration rights, which continued in effect following the completion of our IPO and entitle the holders of such rights to demand that we file a registration statement, subject to certain limitations, and to request that their shares be covered by a registration statement that we are otherwise filing.

### Amended and Restated Strategic Advisory Agreement with Member of Board

On October 20, 2021, we entered into an amended and restated strategic advisory agreement (the “Kim Agreement”) with Peter S. Kim, Ph.D., a member of our board of directors, which became effective in connection with the closing of our IPO. Pursuant to the Kim Agreement, Dr. Kim provides certain strategic advisory services for the Company. The Kim Agreement continues in effect unless sooner terminated or extended by the parties. In consideration for Dr. Kim’s services, we have agreed to pay Dr. Kim the same compensation that an “outside director” (as defined in our non-employee director compensation policy) would receive pursuant to our non-employee director compensation policy, as amended and restated.

### Related Person Transaction Policy

Our board of directors adopted a written related person transaction policy providing that transactions with our directors, officers and holders of 5% or more of our voting securities and their affiliates, each a related person, must be approved by our audit committee. This policy became effective on October 28, 2021, the date our registration statement for our IPO became effective. Pursuant to this policy, the audit committee has the primary responsibility for reviewing and approving or disapproving “related person transactions,” which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, executive officer, nominee for director, or greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and their immediate family members.

As appropriate for the circumstances, the audit committee will review and consider:

- the related person’s interest in the related person transaction;
- the approximate dollar amount involved in the related person transaction;
- the approximate dollar amount of the related person’s interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the related-party transaction; and

- any other information regarding the related-party transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

#### **Limitation of Liability and Indemnification of Officers and Directors**

Our certificate of incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by Delaware law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for the following:

- any breach of their duty of loyalty to our company or our stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; or
- any transaction from which they derived an improper personal benefit.

Any amendment to, or repeal of, these provisions will not eliminate or reduce the effect of these provisions in respect of any act, omission or claim that occurred or arose prior to that amendment or repeal. If the DGCL is amended to provide for further limitations on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the DGCL.

In addition, we adopted bylaws which provide that we will indemnify, to the fullest extent permitted by law, any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our directors or officers or is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise. Our bylaws provide that we may indemnify to the fullest extent permitted by law any person who is or was a party or is threatened to be made a party to any action, suit, or proceeding by reason of the fact that he or she is or was one of our employees or agents or is or was serving at our request as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Our bylaws also provide that we must advance expenses incurred by or on behalf of a director or officer in advance of the final disposition of any action or proceeding, subject to very limited exceptions.

We have entered into and in the future plan to enter into agreements to indemnify our directors and executive officers. These agreements, among other things, require us to indemnify these individuals for certain expenses (including attorneys' fees), judgments, fines and settlement amounts reasonably incurred by such person in any action or proceeding, including any action by or in our right, on account of any services undertaken by such person on behalf of our company or that person's status as a member of our board of directors to the maximum extent allowed under Delaware law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable.

## PRINCIPAL STOCKHOLDERS

The following table sets forth information, to the extent known by us or ascertainable from public filings, with respect to the beneficial ownership of our common stock as of April 16, 2024 by:

- each of our directors;
- each of our named executive officers;
- all of our directors and executive officers as a group; and
- each person, or group of affiliated persons, who is known by us to be a beneficial owner of greater than 5% of our common stock.

The column entitled “Shares Beneficially Owned” is based on a total of 33,677,918 shares of our common stock outstanding as of April 16, 2024.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC and includes voting or investment power with respect to our common stock. Shares of our common stock subject to options that are currently exercisable or exercisable within 60 days of April 16, 2024, are considered outstanding and beneficially owned by the person holding the options for the purpose of calculating the percentage ownership of that person but not for the purpose of calculating the percentage ownership of any other person. Except as otherwise noted, the persons and entities in this table have sole voting and investing power with respect to all of the shares of our common stock beneficially owned by them, subject to community property laws, where applicable. ## REPORT OF THE AUDIT COMMITTEE

The audit committee is appointed by the board of directors to assist the board of directors in fulfilling its oversight responsibilities with respect to:

- the integrity of Entrada Therapeutics’ financial statements and financial reporting process and systems of internal controls regarding finance, accounting, and compliance with legal and regulatory requirements;
- the qualifications, independence, and performance of Entrada Therapeutics’ independent registered public accounting firm;
- the performance of Entrada Therapeutics’ internal audit function, if any; and,
- other matters as set forth in the charter of the audit committee approved by the board of directors.

The audit committee reviews the Company’s financial disclosures and meets privately, outside the presence of management, with the independent registered public accounting firm. The audit committee also reviews the performance of the independent registered public accounting firm in the annual audit of Entrada Therapeutics’ financial statements and in assignments unrelated to the audit, and reviews the independent registered public accounting firm’s fees. The audit committee provides the board of directors such information and materials as it may deem necessary to apprise the board of directors of financial matters requiring its attention. In addition, the audit committee reviews and reassesses our charter annually and recommends any changes to the board of directors for approval.

Management is responsible for the preparation of Entrada Therapeutics’ financial statements and the financial reporting process, including its system of internal control over financial reporting and its disclosure controls and procedures. The independent registered public accounting firm is responsible for performing an audit of Entrada Therapeutics’ financial statements in accordance with the standards of the Public Company Accounting Oversight Board (the “PCAOB”), and issuing a report thereon. The audit committee’s responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the audit committee reviewed and discussed with management and the independent registered public accounting firm the audited consolidated financial statements of Entrada Therapeutics for the fiscal year ended December 31, 2023. The audit committee also discussed with the independent registered public accounting firm the matters required to be discussed by the PCAOB’s Auditing Standard No. 1301, *Communication with Audit Committees*. In addition, the audit committee received written communications from the independent registered public accounting firm confirming its independence as required by the applicable requirements of the PCAOB and has discussed with the independent registered public accounting firm its independence.

Based on the reviews and discussions referred to above, the audit committee recommended to the board of directors that the audited consolidated financial statements of Entrada Therapeutics be included in Entrada Therapeutics’ Annual Report on Form 10-K for the fiscal year ended December 31, 2023, that was filed with the SEC. The information contained in this report shall not be deemed to be (1) “soliciting material,” (2) “filed” with the SEC, (3) subject to Regulations 14A or 14C of the Exchange Act, or (4) subject to the liabilities of Section 18 of the Exchange Act. This report shall not be deemed incorporated by reference into any of our other filings under the Exchange Act or the Securities Act, except to the extent that we specifically incorporate it by reference into such filing.

We will promptly deliver a separate copy of either document to you upon written or oral request to Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Corporate Secretary, telephone: (857) 520-9158. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and phone number.

## STOCKHOLDER PROPOSALS

A stockholder who would like to have a proposal considered for inclusion in our 2025 proxy statement must submit the proposal in accordance with the procedures outlined in Rule 14a-8 of the Exchange Act so that it is received by us no later than December 31, 2024. However, if the date of the 2025 annual meeting of stockholders is changed by more than 30 days from the date of the previous year’s meeting, then the deadline is a reasonable time before we begin to print and send our Proxy Materials for the 2025 annual meeting of stockholders. SEC rules set standards for eligibility and specify the types of stockholder proposals that may be excluded from a proxy statement. Stockholder proposals should be addressed to Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Corporate Secretary.

If a stockholder wishes to propose a nomination of persons for election to our board of directors or present a proposal at an annual meeting but does not wish to have the proposal considered for inclusion in our proxy statement and proxy card, our bylaws establish an advance notice procedure for such nominations and proposals. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has delivered timely notice in proper form to our Corporate Secretary of the stockholder’s intention to bring such business before the meeting.

The required notice must be in writing and received by our Corporate Secretary at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year’s annual meeting. However, in the event that the date of the annual meeting is advanced by more than 30 days, or delayed by more than 60 days, from the first anniversary of the preceding year’s annual meeting, a stockholder’s notice must be so received no earlier than the 120<sup>th</sup> day prior to such annual meeting and not later than the close of business on the later of (A) the 90<sup>th</sup> day prior to such annual meeting and (B) the tenth day following the day on which notice of the date of such annual meeting was mailed or public disclosure of the date of such annual meeting was made, whichever first occurs. For stockholder proposals to be brought before the 2025 annual meeting of stockholders, the required notice must be received by our Corporate Secretary at our principal executive offices no earlier than February 13, 2025, and no later than March 14, 2025. Stockholder proposals and the required notice should be addressed to Entrada Therapeutics, Inc., One Design Center Place, Suite 17-500, Boston, MA 02210, Attention: Investor Relations / Corporate Secretary.

Any stockholder recommendation for a director nominee must be submitted to the Company not less than 120 calendar days prior to the date on which the Company’s proxy statement was released to stockholders in connection with the previous year’s annual meeting. In addition to satisfying the foregoing requirements, to comply with the universal proxy rules, stockholders who intend to solicit proxies for the Company’s 2025 annual meeting of stockholders in support of director nominees other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 14, 2025. Stockholder proposals and the required notice should be addressed to our Corporate Secretary at our principal executive offices at the address set forth above.
